

Tehničke karakteristike

Physical Features CTH2 CAN-01S1-EB							
Dimension (W×H×D)	137 x 96 x 62mm						
Apply for	CPU H224X/H226XL						
Power consumption	9W						
CANopen communication function							
Communication port	1 (8 Pin)						
Transmission rate (kbps)	1000	800	500	250	125	50	20
Max. length (m)	25	50	100	250	500	1000	2500
Max station address number	127						
Station address range	1-127						
Max slave station number	32						
Max digital access				Byte	memory start address		
	input			64	IB16		
	output			64	QB16		
Max analog access				channel	memory start address		
	input			8	AIW64		
	output			8	AQW64
